NUMBER ONE PACKER FAN

Who is the Number One Packer Backer in Central Florida? Well, a couple of **CFGBPB** have claimed that title... most notably Cheese and Packer Bob. There's no question that they're in the Top-10. But how do you fit in? Here's a small checklist.

___ You never miss watching the Packers play, even during the pre-season.

___ You're a card carrying member of the **Central Florida Green Bay Packer Backers**.

___ Forever the optimist, each August you proclaim that "The Pack Is Back!"

___ You own more Packer T-s than you do dress shirts.

___ You never mention the Bears without adding that they "suck" in the same breath.

___ Your two favorite colors are green and gold.

___ You'd rather tailgate than go to a fancy restaurant.

___ You have a nickname for a bodypart on you or your partner that you call "Fuzzy," "Curly," "Dilwig," "Bart" or "The Frozen Tundra."

___ You can't fall asleep unless you're wearing your Ray Nitschke boxer shorts.

___ You think that brats, beer and cheese are the three major food groups.

___ You don't yet acknowledge the AFL.

___ You're on the Packer season-ticket waiting list even though you know you have to live to be two-thousand years old before you'll ever see them.

Score: (12)-You are #1! (9-11)-A true Cheddarhead! (4-8)-Fair weather fan. (1-3)-Friend of Jerry Greene. (0)-Must be from Illinois.

A FEW NOTES ABOUT LAST WEEK

Although it was a scary second half, the Packers victory over the Bears last Monday was sweet. (Reggie... REGGIE... REGGIE!) Coach Holmgren said it was "very difficult and very rewarding at the same time." Green Bay has now outscored Chicago 100 to 33 in the last three meetings. Among the Monday night highlights: Robert Brooks NFL-tying 99-yard touchdown run; Reggie White's game-saving QB-sack; and (you-know-him, you-love-him) Animal discovering 57 new ways to torture a stuffed Chicago teddy-Bear while watching the game at Chi-Chi's. On a related note... during the game, did you see the Bears fan who leaped over the end zone railing at Soldier Field to snatch the football during an extra point attempt? He grabbed the ball as he fell at least 30-feet in the air to the ground. The good news is that the Bears-fan has a souvenir. The bad news is that you need legs to kick it.

MOVIE REVIEW: "PACKERHONTAS"

The animated film "Packerhontas" blends fable with fact, chronicling the life and legend of a Illinois woman who leaves her native Chicago to live a happier, more fulfilling life as a Packer fan.

While in 1920's Green Bay, Packerhontas falls for John Smith, the brat-wurst maker with season tickets to City Stadium.

The soundtrack is superb including "The Windy City Can Blow On This," "Doing The Halas Has Halitosis Shuffle" and a great rendition of the "Staleys Still Suck Poika." (Rated "PGH" for "Pretty good hey!")
