HOW COULD YOU EVER LOVE A TEAM WITH JIM McMAHON?

Every single Sunday during the football season, CFGBPB members have been singing along to the Happy Schnapps Combo's "Bears Still Suck Polka." Green Bay's latest acquisition presented a problem to our Sunday afternoon sing-a-long.

With former Bears QB Jim McMahon wearing green and gold, we had to alter the lyrics somewhat.

We used to sing: "How could you ever love a team with Jim McMahon, not even Porky Pig was as big a ham. They gotta reputation that's mostly based on luck. The Bears still suck."

We altered that first verse to read: "Once in Chicago, there was a Jim McMahon, now even Jimmy-boy has become a Packers fan. Chicago's reputation is mostly based on luck. The Bears still suck."

The new lyrics, written by Packer Jerry, were given the thumbs-up (via fax) by the Combo.

Want your own copy of the CD Raise It! with "The Bears Still Suck Polka?" Just send \$11.50 with a copy of your CFGBPB card to: The Happy Schnapps Combo; 3920 Calumet Ave.; Manitowac, WI; 54220.

THAT'S USING YOUR CHEESEHEAD!

Did you hear about the two Green Bay Packers fans who were involved in a plane crash near Stevens Point, Wisconsin?

Frank Emmert and his pilot friend were flying back home from the Packers-Browns game in Cleveland when they started experiencing engine trouble. Emmert says as the plane was going down, he grabbed his foam rubber, wedged shaped cheesehead and covered his head with it. The pilot suffered head injuries, but Emmert escaped with just a broken ankle. Now, Emmert is a cheddarhead for life.

Will this change the way we fly in and out of Wisconsin? I can hear the flight attendant now... "We are preparing to

land at this time. Please make sure your seat belts are fastened, trays are in an upright position... and your cheesehead is placed securely on your head. Thank you for flying Midwest."

WE'VE NOTIFIED THE I-R-S

After playing and winning many of the weekly Packer football pools from their lucky table over the past couple of

years, John Sanfelippo and George Maltezos (pictured above) have used the cash to buy the Orlando hot-spot Zuma Beach. They tell us all you have to do to get in free is flash the bouncer your CFGBPB card while muttering the secret passward ("the Bears still suck") in his ear.
