COWBOY'S LAMENT

For once the 1-and-3 Dallas Cowboys were not front page news this week in their hometown newspaper. The honor instead went to baseball's Texas Rangers, who won their first American League West divisional title in the club's 35-year history.

Hey Emmitt, did you check the obituaries?

THE STORY OF THE THREE BEARS

After several years together, Mama and Papa Bear were getting a divorce. So, they went to court where the judge told Baby Bear he had to live with his mother. Baby Bear said "No, I can't live with her. She beats me all the time." The judge said "Alright, then you have to live with your father." Baby Bear shouted "No! He beats me worse than she does!"

The judge said "OK, you can live with your grandparents." But Baby Bear said "No! They are the worst of all!" The

judge queried, "Baby Bear, then who do you want to live with?" Baby Bear said "I want to live with the Chicago Bears... they never beat anyone!"

Here's a nice photo of Will Rogers. He obviously never met anyone from Chicago.

IT'S HARD TO THROW FROM A WALKER

Of the NFL's 30 starters, 16 quarterbacks are over the age of thirty. John Elway, Jim Kelly, Bobby Herbert and Jeff Hostetler are 35 or older. Warren Moon, who throws for the Vikings, turned 40 this year. Recently, after a game,

Warren was asked by a reporter whether he wears boxers or briefs. Moon responded, "Depends."

CAR TUNES AND FOOTBALL

Here's yet another benefit to becoming a CFCBPB member. Packer Backer Carmen J. Fiore Jr. is the store manager of the Don Olson Tire & Auto Store at 1021 Lee Road in Orlando. He is offering a 10% discount on all tires and auto service, including all advertised specials. In addition, any current member wanting any service to be performed at 1pm Packers game day on a Sunday, Don Olson will offer a special "Pick-up and Delivery Service." Any member who contacts Carmen by Saturday, he will arrange to meet you at his Lee Road store at noon. All you have to do is leave your car there, and Carmen will drive you over to Logan's to watch the Packers game. After the game, he'll drive you back to pick up your vehicle. For reservations or information, call Don Olson Tire at 628-5121 or page Carmen at 645-8066. A list of other CFCBPB benefits is available from club officers.

I LEFT MY CLEATS IN SAN FRANCISCO

Next week's Monday Night Football game marks the second time that Coach Mike Holmgren will have played against his former team. Green Bay was a 27-17 playoff winner over the 49ers last January. As many of you know, Holmgren was the 49ers quarterback coach (and later offensive coordinator) from 1986 until joining up with the Pack in 1992. Word is, just before Mike left the 49ers, he secretly changed all the "O's" to "X's" in George Seifert's Green Bay file folder, he substituted Joe Montana's wall of fame photo with that of Barry Manilow's, and he started the rumor that Jerry Rice-a-roni was the San Francisco treat. (I have no idea what that means.) We know you can watch the game on your television at home, but we hope you'll be part of the fun here at Logan's next week. If you don't show up on Monday, we'll tell everyone that you're on vacation in Chicago. ouch.

"THE BEARS STILL SUCK POLKA" BY
THE HAPPY SCHNAPP'S COMBO

Now everybody sing along! Ready? Ah-one, ah-two, ah-tree...

*How many times must we take this disgrace,
another Bears fan throwing insults in our face.*

*The Packers are the greatest team to ever play the
game, even if from time to time they've been a little
lame.*

*Once in Chicago, there was a Jim McMahon, now
even Jimmy-boy has become a Packers fan.*

Chicago's reputation is mostly based on luck.

The Bears still suck.

*The Bears still suck. The Bears still suck. The
Bears still suck. The Bears still suck. They really,
really, really, really, really, really suck. Yes the
Bears still suck!*

*If you drive to Soldier Field they make you pay a
toll. For cripes-sake they only won one lousy Super
Bowl.*

*They make fun of Wisconsin, but we don't get
upset. Where do you think that they're all headed
every chance they get.*

*We don't really hold a grudge cuz this is all in fun,
as far as football rivalries, we're both number one.
Still we wouldn't mind seeing Ditka run over by a
truck. Cuz the Bears still suck!*
