## DIE HARD PACKERS FAN

Romie Kokochinski was sitting in his seat, watching the Packers play at Lambeau Field when the guy behind him tapped him on the shoulder. He said he noticed that the seat next to him was empty and wondered if it belonged to him.

Romie said "Yes." He explained that it was his wife's who had just passed away.

The man responded "Oh, I'm sorry to hear that. But didn't you have any friends who wanted to see the Packers play today?"

Romie said "They're all at the funeral."

## FINALLY, THE ENEMY ON OUR TURF

For the first time since 1989, the Dallas Cowboys will play a regular season game at Lambeau Field. Using a predetermined formula, the 1997 NFL schedule will include the Cowboys at Green Bay. The exact date will not be released until this spring.

While visiting scenic Green Bay, most of the Dallas Cowboys will be staying at the spacious Brown County Correctional Facility.

## WHO TO CHEER/WHO TO JEER

As you already know, the Packers have clinched the division title and a first-round bye. To gain home-field advantage throughout the playoffs, Green Bay needs either a victory over Minnesota today... or a Carolina loss to Pittsburgh. Even in the event the Packers lose to the Vikings... if it's by 17 or fewer points, the Pack still stay at Lambeau up until the Super Bowl.

As far as the Cowboys are concerned, they have the division title. But Dallas still has the opportunity to clinch a first round bye. All they have to do is beat Washington by 78 or more points and hope Carolina loses to Pittsburgh and pray San Francisco loses to Detroit on Monday and witness Elvis rise from the dead, singing "Hound Dog," while monkeys fly out of his butt.

## TIME TO CELEBRATE!

We're going to celebrate the Green Bay Packers success with a post-game tailgate party in two weeks after they play their first play-off game. As usual, free brats, German potato salad and all the fixin's for all card-carrying CFBGPB members. So bring your card and your appetite. Here's a nice photo of Packer Lois and her right hand which was operated on by doctors last week. Unfortunately, they were supposed to operate on her left foot! Ha. Go Lois go!

## SMILE AND SAY "CHEESEHEAD!"

The dental office of William Schuckit in Graton has team spirit. Schuckit makes Packers green and gold retainers for patients who want them.

Apparently quite a few Bears fans have been visiting his office too. Word is, they're all taking advantage of his "get one tooth pulled at regular price, get a second tooth pulled for free" deal.

## BONUS BONER

When the Denver Broncos clinched the AFC West, Kansas City quarterback Steve Bono lost out on a 250-thousand dollar title bonus.

In a related story, when the Chicago Bears lost the division title to the Packers, lineman Bryan Cox lost his title bonus of a front row parking space at Arnie's House Of Babes and XXX Video in Cicero.

Speaking of Chicago, here's a nice photo of Bears veteran Dick Butkis.

"THE BEARS STILL SUCK POLKA" BY  
THE HAPPY SCHNAPP'S COMBO

Now everybody sing along! Ready? Ah-one, ah-two, ah-tree...

*How many times must we take this disgrace,  
another Bears fan throwing insults in our face.*

*The Packers are the greatest team to ever play the  
game, even if from time to time they've been a little  
lame.*

*Once in Chicago, there was a Jim McMahon, now  
even Jimmy-boy has become a Packers fan.*

*Chicago's reputation is mostly based on luck.*

*The Bears still suck.*

*The Bears still suck. The Bears still suck. The  
Bears still suck. The Bears still suck. They really,  
really, really, really, really, really suck. Yes the  
Bears still suck!*

*If you drive to Soldier Field they make you pay a  
toll. For cripes-sake they only won one lousy Super  
Bowl.*

*They make fun of Wisconsin, but we don't get  
upset. Where do you think that they're all headed  
every chance they get.*

*We don't really hold a grudge cuz this is all in fun,  
as far as football rivalries, we're both number one.  
Still we wouldn't mind seeing Ditka run over by a  
truck. Cuz the Bears still suck!*
