## ARE YOU READY FOR SOME FOOTBALL?

We won't have Hank Williams Jr., but we will have Jim Irwin and Max McGee! That's right! One Eyed Jack's will be one of only a few Packers clubs in the country that have the technology to bring the radio play-by-play of the Packer Radio Network to Orlando. One Eyed Jack's will mix the digital satellite radio audio with the network visual in a way most Wisconsinites watch the Green and Gold up north.

And as usual, the club will be spinning many of your Billboard top-40 favorites between Packers' touchdowns such as Go You Packers Go Go, I Love My Green Bay Packers, We Go Green Bay and still number-one again this week, The Bears Still Suck Polka.

## A PLACE FOR YOUR DUPA

Just a reminder that come the regular season, CFGBPB members won't have to compete for bar space with One Eyed Jack's regular weekend evening crowd. It got to be a bit crowded because of the pre-season schedule which allowed Friday and Saturday night games. Besides being exclusively a Packers' bar during game days, One Eyed Jack's will also have additional tables and chairs set up as needed to accommodate a big Packers contingent.

## DON'T LEAVE HOME WITHOUT IT

Being a member of the Central Florida Green Bay Packer Backers has many benefits. Members will be eligible for hundreds of fabulous door prizes that will be given away during the season like t-shirts, CD's, hats, pins, sweats, jackets, shotglasses, duffel bags, and much, much more. There will also be a couple special event days in which members have the opportunity to pick up free Super Bowl XXXI programs and Dirty Dallas penalty flags just for showing up. There is also the Second Annual Packer Bowling Party scheduled for October 19th where members bowl and drink for free. Add to that a few tailgates with free brats and tasty potato salad, and your social calendar is more than full. Just check the accompanying 1997 Membership Event Schedule for times and dates.

## THE PERFECT PACKERS

The Green Bay Packers (5-0), Pittsburgh Steelers (5-0), Jacksonville Jaguars (4-0) and New York Jets (4-0) were the only four teams finishing the pre-season without a loss.

A Packer quiz. Which was the last Packer team to not lose in the pre-season and what was their record? Answer below. By the way, the Bears were happy to escape the pre-season with a two win, three loss record.

## WIN FREE LAMBEAU FIELD SKY BOX TIX!

One Eyed Jack's will be giving CFGBPB members a chance at winning a pair of Lambeau Field sky box tickets to one of the Packers games this season. Details of how to win will be announced soon in the PackerPage. All we'll say right now is the more games that you attend at One Eyed Jack's, the better the chance you have at winning.

## FALL FASHION PREVIEW

For the first time since 1994, the CFGBPB club will be unveiling it's new line of fashion sports wear. Following much speculation from the media, the new Central Florida Packer Backer t-shirt will available to the public soon. Club members will be able to purchase the new line of vogue Packer apparel at a substantial discount.

Bears fans will be taxed heavily because they always nail us when we drive through the tollways of the flat-land.

## A BEEBE IS BETTER THAN A MISSILE

The Packers traded wide receiver Rajib Missile Ismail to Miami for conditional draft picks. The move enabled the Packers to keep crowd favorite Don Beebe on the roster. They also elected to go with Wausau, Wisconsin native Jeff Dellenbach instead of Eugene Chung at center and longtime special teams player Mike Prior instead of Brad Edwards (whoever he is).

And the best news is old news. Jim McMahon retired last season.

**Answer:** The 1970 Pre-season Packers finished 3-0-3.
