SECOND ANNUAL PACKER PICNIC

It's Bear puntin' time! Due to popular demand, the **CFGBPB** present the "**Packer Picnic, Part II.**" Everyone had a great time last year, so we're going to do it again. Once again the **Sanford Airport Park** is the place, **July 12th** is the date and it all starts at **10am** and should still be going strong by **6pm**. Be there or be Bear! No pets or F.I.B.'s please.

We'll have volleyball, a brat eating contest, a sheepshead tournament and the infamous bear punting contest! There will be prizes for the winners and also our usual assortment of cool door prizes for **CFGBPB** members. This year, the brats, hotdogs, pop, potato salad and admission is free. We do ask that you bring your own beer and a side dish if you like. Lunch will be served between noon and 2pm. The picnic area is covered and big enough for everyone, so don't worry about the rain or the sun.

We do need a few people to volunteer to cook the brats and generally help out. If you can assist, call Gayle Durocher at 788-7117. A good time will be had by all (except for the bear), so we'll see ya there!

Directions: Take 17/92 up-nort (drive past the Flea Market once); hang a right onto Airport Blvd.; go a couple two-tree miles and the **Lake Golden Recreational Area** should be on the right side.

ANNIVERSARY X

According to tradition, the appropriate gift for a first anniversary is paper, third is leather, fifth is wood, and tenth is... pignskin! That's right, it's the **CFGBPB** club's 10th anniversary this season. We've come a long way from the ten guys watching the game at Chi Chi's in Casselberry.

There are now over 400 official **CFGBPB** club members in Central Florida. There are so many loyal Cheddarheads around Orlando that we have two official club headquarters... One Eyed Jack's (648-2050) at 15 North Orange Avenue in downtown Orlando... and Froggers Sports Bar (812-4100) at 4112 Town Center Blvd. in Hunters Creek. Thanks so very much for your support!

FAVORITES IN WISCONSIN AND VEGAS

It seems the oddsmakers in Las Vegas love the Packers almost as much as we do. The men in green and gold are the overwhelming favorites to win Super Bowl XXXIII in Miami this season. According to the Mirage Hotel, the odds to win the Super Bowl are 2-1 for the Packers, followed, not so closely, by the 49ers at 9-2, Denver and Pittsburgh at 7-1 and Dallas (??) at 8-1. Like the underdog? The Saints are listed at 150-1, which is slightly lower than Mike Ditka's blood pressure at game time.
