HOW TO SAVE MONEY IN '09

The economy is so bad, a picture is now worth 200 words... rapper 50 Cent had to change his name to 10 Cent... and ATM's are now giving-out IOU's! Yeah... the economy *sucks*.

But not to worry... the PackerPage is here to help with some sound financial advice.

Now, before you pay your electric bill or spend your money on something as frivolous as food, you should instead immediately update your membership in the Central Florida Packer Backer club.

So, you ask: "What do I get for that paltry \$20 CFPB membership fee this year?" Well, frankly, "A lot!" Aside from an official and prestigious 2009 CFPB membership card, you get free beer, free tasty shots, a complimentary copy of the Packer Plus, free tailgate food, free bowling, a wine & cheese social, a Thanksgiving day pot-luck dinner... there's passing, punting, putting, cow-chipping, beer-pong, a poker party, lottery tickets... plus a chance at winning great Packer prizes such as a Disney get-away package, a Packer putter, a Packer suitcase, Packer coats, autographed Packer gear, plus dozens and dozens of other unique Packer prizes that'll be given away each week... and not one, but two chances at winning a pair of Packers tickets at Lambeau! There's lots of other stuff too! Just be sure to check out our pun-allocious 2009 CFPB event schedule so you won't miss out on any of the action. We're talking just \$20 for an entire season of pure Packer pleasure! Heck, you get more than your money's worth during week #1 alone! As usual you'd better sign up soon, or people might start thinking you're one of those damn Bears fans.

This just in: The economy is so bad, that instead of a coin-toss this season, all NFL games will begin with flipping a quarterback.

Here's a nice picture from last season of some of our good-looking Central Florida Packer Backer family showing the rest of the league that they have balls! So, do you have the cojones... and \$20 -bucks? Providing you're not Virginia Halas McCaskey, we'd love to have you join us!

FREE FOOD & BEAR KICKIN' FUN!

Brats, potato salad and corn, oh my! If you're a Packer fan, come load-up on lots of free food at the annual "Packer Picnic" on Sunday, July 26, 2009 at Barnett Park!

Throwing toilet seats and kicking the stuffing out of a Bear, now *that's* how you spend a Sunday afternoon!

It's that time of year again when all Central Florida Packer Backers gather together for the club's annual "Packer Picnic" set for Sunday, July 26, 2009 starting at 11am! Like last year, the CFPB "Packer Picnic" will be held at Pavilion #4 at Barnett Park on West Colonial Drive in Orlando (next to the fairgrounds).

As usual, we'll have plenty of free food, including Johnsonville brats, Chris's wonderful German potato salad and corn-on-the-cob! All we ask is that each member brings a dish to share. And just like the last few years, we're very fortunate to have Joe "Mama" Miller (#911) cater the event. (If you need someone to cater your event, be sure to call Joe "Mama" at 407-872-1178.)

Then, after filling up our tummies on all that great food, we'll have a couple of clever ways for you to burn off a few of those calories. One of which will be our traditional "Bear Punting Competition." What better way to kick off the season than to introduce your foot to a Bear's behind! Other planned activities include the "Tittletown Toiletseat Toss," a "Sheepshead Tournament" and the coveted "Beer & Brat Speed Eating Contest."

We'll see you at the CFPB "Packer Picnic!"

As usual: No pets or FIB's.

PackerPage Poll

A couple of months ago, a member of Brett Favre's inner-circle blocked off "25 to 30" rooms at the Midway Motor Lodge near Lambeau Field in Green Bay for the weekend of the Vikings game against the Packers in November. What do you think?

Theo Rhetakel

"Oddly enough, that's likely to be Favre's touch-down-to-interception ratio this season."

Farrah Czakah

"Brett knows it's the only motel within 75 miles of Lambeau that has those beds with the coin-operated magic fingers."

Casey Deeyah

"What?... the Ashwaubenon Days Inn was already full?"

Ken U. Kismiahz

"I heard it was the deer-blind in the lobby that sealed the deal for Brett."

It could be you in this picture! No, not as a Packer player scoring a touchdown at Lambeau Field, but as a Central Florida Packer Backer slapping the back of a Packer player scoring a touchdown at Lambeau Field! Yes, dreams can come true! How do you win your own "Lambeau Leap" game tickets, you ask? Well, each time you watch a Packers game at One Eyed Jack's, your 2009 membership number will be entered in for the grand prize drawing on November 22nd. Simply put, the more games you watch at One Eyed this year, the better your chances are at sitting near the field at Lambeau and molesting a Packer player of your own!
